A Major is declared in the sophomore year prior to the spring advising period. An Application for Graduation for each major is due in the junior year prior to the end of the spring semester. Once you declare your major, update this sheet each semester to keep track of your requirements and be ready to apply for graduation.

NAME____________________________________________________________ Grad. Year_________
(Last) (First) (Mid. Initial)

Physics Education Major

Students must also complete the Professional Courses for Secondary Education.

Total for BA in Physics Education: 46

*Specify the course you are using to fulfill the requirement. Also use this space to list transfer courses or another course you are being allowed to substitute. Note: The Request for Substitution of Major Requirement Form must be completed for substituted courses.

I am aware of the specific requirements for this major and recognize that I must complete all requirements with a minimum QPR of 2.0 (rounded). I understand that I am responsible for completing successfully all courses, for determining that scheduling will allow me to fulfill requirements, including the senior program, and for obtaining approval for any courses taken at another institution.

Signature of Student_________________________________________ Date_________________

For Declaration of Major: Successful completion of this program satisfies major requirements.

Department Chair/Program Coordinator________________________________ Advisor will be____________________
